

Brockmoor & Pensnett *Matters*

 Conservatives

Autumn
2008

Dear Resident,

Since being elected as the first Conservative Councillor for Brockmoor and Pensnett for more than 20 years, I have been working hard to build links with the local community. I attend several Tenant and Resident Association Meetings as well as the local Community Forum Meetings. I have also attended several of the Pensnett Community Centre Committee meetings. I have been appointed to the Brockmoor Community Centre as one of the Council's representatives on their Committee and am looking forward to getting to know the members involved.

I have been given the task of attending the Brierley Hill Housing Panel and sitting on the Taxi Committee as well as the Brierley Hill Area Committee and the Capital Allocations Panel for the Brierley Hill Area. I am also honoured to have been given the task of becoming the Champion for Mental Health and am endeavouring to work with the Mental Health Board and carer groups to deliver excellent services for this part of the Health Service.

Several residents have contacted me for help with problems which they are facing and I have worked hard to resolve their difficulties and complaints.

I am currently involved with a group of residents who are opposed to a planning application to open a temporary car park with the access and exit in their road, causing added traffic flow problems to an already busy road; I am helping them to put forward their views, in the hope that an alternative access and exit for the car park can be found.

Councillor Sue Greenaway -
our local Councillor

Brockmoor Post Office

Cllr Sue Greenaway & Chris Kelly, Conservative Parliamentary Candidate for Dudley South, are campaigning to save Brockmoor post office which is threatened with closure because of Labour's cuts. Dudley South's Labour MP voted **FOR** the cuts in the House of Commons.

In order to make myself more easily available to my ward constituents, I have arranged for surgery to take place at Pensnett Community Centre on alternate Friday evenings from 7.30 pm to 8.30. The surgeries began on the 29th August. If you have anything that you would like to discuss with me I would be pleased to see you at one of these surgeries. I can also be contacted by e-mail on sue@proudofdudley.com. Alternatively my home telephone number is 01384 261785.

Finally, my sincere thanks to all those who voted for me at the May local election and helped to secure my role as a Conservative Councillor for Brockmoor and Pensnett.

Regards, Sue.

Chris Kelly visits the Pensnett Estate

Parliamentary Spokesman Chris Kelly visited Pensnett Estate to meet London & Cambridge Properties Limited, the owners. Chris said: "At over 200 acres, & plenty of room for expansion, the Estate is the largest secure industrial estate in the UK, if not Europe. As a major source of local employment it's a huge boost to the local economy. I was pleased to meet the owners, & enjoy a behind-the-scenes tour of an estate I already know well. Businesses looking for premises on the Pensnett Estate should visit www.lcpproperties.co.uk."

Councillor Sue Greenaway Surgeries

Pensnett Community Centre
Alternate Fridays from
August 29th 2008 onwards
7.30pm to 8.30pm

Chris Kelly & Cllr Sue Greenaway visit Dreadnought Tiles & Ketley Brick

Chris & Sue recently visited Hinton Perry & Davenhill Ltd in Dreadnought Road to discuss recent flooding & to see the the company's investment in modern machinery. The firm employs 65 people & also runs a clay quarry. Chris & Sue were met by directors Richard Davenhill & Alex Patrick-Smith who led a site tour. Chris said: "Cllr Greenaway & I were delighted to visit a long-established employer in Brockmoor & Pensnett. Sue has been talking to Dudley MBC about drainage on Dreadnought Road. We saw the manufacturing process behind Dreadnought tiles & Ketley bricks which brought home the importance of steady energy prices. The government must ensure that UK industry is not brought to a standstill by rising energy prices."

Chris Kelly & Cllr Sue Greenaway visit the Brierley Hill Regeneration Partnership

Chris & Sue recently visited the Brierley Hill Regeneration Partnership to meet with BHRP Chief Executive Tim Sunter. They toured the Brierley Hill locations alongside the Merry Hill centre. Commenting afterwards Chris said: "It was an extremely useful visit with the 3D computer model of the proposals being particularly fascinating. Regeneration of Brierley Hill is crucial, not just for the Dudley Borough, but also for the wider Black Country. We will be keeping in regular touch with the BHRP team & look forward to a bright future for Brierley Hill."

Tell us what you think, and let us know if you can help.

Your concerns.....

- I would like to help to deliver leaflets
- I would like to join the Conservative Party
- I would like to vote by post at elections
- I would like to vote by proxy at elections
- If there was an election tomorrow I would vote:
- First Choice
- Second Choice
