ABOUT CHRIS

A strong voice for Dudley South

It has been a hectic two and a half years since Conservative Chris Kelly was chosen as your candidate in Dudley South.

From the very moment he was selected, Chris has rolled up his sleeves and got stuck in to help local people with their problems. He has proved himself to be a committed and dedicated campaigner and has worked flat out to get things done. Chris has been out week in, week out in Wordsley, Kingswinford, Wall Heath, Brockmoor, Pensnett, Brierley Hill, Netherton, Woodside and St. Andrews talking to residents on the doorstep, holding street stalls and delivering leaflets detailing the changes he wants to see in the way Britain is run.

Dudley South is suffering as a result of this recession. Firms are closing and homes are at risk. As a family businessman employing people at Keltruck's Oak Lane site in

Kingswinford, Chris is acutely aware just how difficult this recession is. In addition to his own business experience, Chris has visited countless local employers to hear their views. He took Ken Clarke and other senior politicians along with him to speak to workers on the shop floor at businesses such as Minivator and Westfield Sportscars.

Job losses at local manufacturing firms and many other local businesses mean unemployment has virtually doubled in twelve months – leaving Dudley South in the country's top 150 jobs blackspots.

We face a difficult and uncertain future. What we need is a strong voice to stand up for us and get things done. Many people are now saying that the Black Country has been ignored by 12 years of Labour and Chris is just the right man to stand up and speak up for our local interests.

My local connections

What do you like most about Dudley South?

I love the fact that it offers the best of both worlds. On the one hand we have the Merry Hill centre in Brierley Hill with everything under one roof and then behind Wordsley, Kingswinford and Wall Heath we have glorious countryside. I also love the variety of businesses in Dudley South – our people are so enterprising and creative. It's a real joy going round our trading estates and finding small and medium-sized businesses creating and delivering an amazing variety of products and services.

What is your favourite food?

I love Italian food. I also love a good curry – not too hot though! We're blessed with a number of great curry houses in Dudley South!

What would be your top priority if you became our MP?

Protecting local jobs. People's homes and futures are at risk, and protecting them is my number one aim.

What do you do in your spare time?

What's spare time?! Seriously, I love to swim at Crystal leisure centre, run, play tennis in Wordsley park and squash at Dudley leisure centre (when I can find a buddy free at the same time to play!). I also try and ski once a year.

So what is your favourite sporting moment?

Wolves winning the Sherpa Van Trophy in 1988 with Andy Mutch and Robbie Dennison scoring our 2 goals in the final. Wolves getting promoted back into the Premiership again has to be up there.
